* Providence has designated certain days at the end of each semester as “Reserved Disaster Makeup Days”. Due to the nature of the University-Model School schedule, missed days of school due to unforeseen events (hurricane, snow, widespread illness) can often be recouped with assigned satellite day work. However, should the administration determine additional school days are required, these days may be utilized as make up days. If these days are utilized, the progress report release dates will be adjusted to accommodate the additional school days.
