To the Pastor/Church Leader:

Thank you for taking time to fill out this reference. We realize your time is valuable and appreciate your willingness to help us. The family listed above is applying for admission for their child(ren) at Providence Preparatory Academy. Providence is a University-Model[®] school that involves a combination of classroom instruction and parental instruction off campus. This model therefore requires us to ensure that families that we admit are aligned with us spiritually and are willing and able to model a biblical worldview in their home.

Please complete this form as factually as you are able and return this form directly to Providence (not to the parent). Feel free to attach additional pages as necessary to fully answer the questions.
